

VISIONARY LEADERSHIP FUND

of the VALENTINE FOUNDATION

Supporting the next generation of women leaders

To support the Valentine Foundation's commitment to developing the next generation of local women leaders of non-profits serving women and girls, the Fund provides grants through which agency directors and staff members refine their skills and increase the impact and effectiveness of their agencies as well as their own personal impact on their workplace and community.

The Trustees have selected three Philadelphia programs to which to send Valentine Visionary Leaders: the Non-Profit Executive Leadership Institute (NELI) at Bryn Mawr College; Leadership, Inc. in Philadelphia; and CLEAR (Cultivating Leadership, Excellence and Responsibility) Circles and Career Development at the Non-Profit Center at LaSalle University.
