### **Organization Name\***

*Character Limit: 100*

### **Program Name (if applicable)**

*Character Limit: 250*

## *Please answer the following questions:*

---

### **Goals and Objectives\***

Define your goals and objectives for this funding period.

*Character Limit: 500*

### **What did you accomplish?\***

Please relate these accomplishments to the Social Change Indicator(s) that you identified with your grant. Please describe in terms of both specific results (“we organized a rally that attracted 200 people”) and larger outcomes (“the outcome of the rally was media coverage which made it easier for us to get face time with local legislators”).

*Character Limit: 1000*

### **How do you measure accomplishments?\***

What are you using to measure/determine your accomplishments?

*Character Limit: 1000*

### **What has changed?\***

What has changed in the course of the grant period (both internal to your organization/project and externally) that has affected -- either positively or negatively -- your ability to use the grant as originally proposed? Please detail any changes to staff or board, financial climate, legislative or political changes, etc., that have had an impact on the achievement of your goals and objectives.

*Character Limit: 1000*

### **Impact of Social Change Indicator\***

The Valentine Foundation uses specific “Social Change Indicators” to define and measure social change: <http://www.valentinefoundation.org/pdf/socialChangeMatrix.pdf>. Did using this model

when completing your application, midterm reports and this final report have any influence on the way you conceptualize your organization/specific project? Why, and how?

*Character Limit: 1000*

### **Program Status\***

What is the status of the project/organization now?

*Character Limit: 1000*

### **Collaborative Partnerships\***

Are you engaged in any special partnerships or collaborations that could help you achieve your social change goals? If yes, please describe.

*Character Limit: 1000*

### **Suggestions for us\***

Given the Valentine Foundation's mission to forward social change for women and girls, what suggestions do you have for the Foundation's Trustees?

*Character Limit: 1000*

### **Budget\***

Provide a detailed breakdown of how the Valentine Foundation funds were used, including your proposed budget and actual expenditures. Explain any variances.
